Four days, three hundred miles, two capital cities, one awesome ride in the tyre tracks of the cycling greats, then watch the finale of the Tour de France!

Your cycle challenge...

Our 300 mile, 4 day bike ride takes us through the beautiful Kent countryside to Dover, before crossing the Channel to Calais. Our route takes us along quiet French country lanes, through traditional market towns with views of the rolling, green fields of Northern France, passing the war memorials and cemeteries of the Somme. The pièce de résistance of this cycle challenge will be the final cycle up the Champs Elysées to the Arc de Triomphe, following in the tyre tracks of the cycling greats, before watching them cycle the same route the next day in the finale of the Tour de France!

Your itinerary...

Day 1 London to Calais

After an early registration we begin our epic ride. It's not too long before we're cycling to the outskirts of London and hitting the countryside of Kent. We push on to Rochester, where we join some of the 2007 Tour De France route – you'll feel like a cycling champion as we tackle the rolling hills, following in the tyre tracks of the giants! It's a long cycling day today but upon reaching the port of Dover and seeing the famous white cliffs, there'll be a great sense of achievement. We then board the ferry to Calais and have dinner whilst on board. Upon reaching Calais, it's just a very short push onto our hotel where we have a well deserved rest and get our heads down for the night.

Cycling distance – approx. 73 miles

Day 2 Calais to Arras

Following breakfast at our hotel we leave Calais behind us, remembering to stay on the right! We begin cycling on smooth, flat roads for approximately 10 miles, before we start to pull up towards our first water stop. The route then becomes more undulating as we cycle through the French countryside up to our lunch stop. Some small climbs after lunch bring us to a gentle descent into the beautiful mediaeval town of Arras, one of the prettiest towns in northern France, where we check into our hotel.

Cycling distance – approx. 78 miles

Day 3
Arras to Compiègne

After a hearty breakfast, we continue with our cycling and head south through the Region of the Somme and its WWI battlefields - rolling, green meadows studded with the many war memorials and cemeteries of the First World War.

Following traditionally French, tree-lined avenues, we approach our next overnight stop in Compiègne. Since 1968, Compiègne is the starting place of the "Paris-Roubaix", which is the most famous French cycling race after the Tour de France.

Cycling distance – approx. 75 miles

Day 4
Compiègne to Paris

The final day of our European cycling adventure! Our last day in the saddle sees us leaving Compiègne riding through the beautiful forest surrounding the town - it was in this forest that the 1918 armistice was signed. Our route then continues through pretty towns and villages towards the outskirts of Paris.

Cycling is the National sport of France and it's not uncommon to see locals cheering and waving us on. We cycle through the hustle and bustle of the Parisian streets until we reach the Louvre where we stop to re-assemble, then ride as a group up the majestic Champs Elysées to our finish line at the Eiffel Tower! This evening we toast our achievements at a celebratory dinner.

Cycling distance – approx. 66 miles

Day 5
Paris to UK

After breakfast at our hotel, you are free to enjoy the sights and sounds of Paris - take a trip up the Tower, visit the renowned Arc de Triomphe or famous Notre Dame Cathedral, or simply soak up the atmosphere in one of the many cafés – or more importantly, watch the finale of the Tour de France, as the great cyclists of the world finish their epic three week race with laps of the Champs Elysées – the atmosphere is electric, believe us!

In the late afternoon, each participant will be responsible for getting themselves to Gare du Nord in order to catch the Eurostar back to England. Bicycles will be transported back to London by our crew in the support vehicles and will be waiting for you, ready for you to continue your homeward journey.

Is this trip for me?

ABSOLUTELY! This bike ride is suitable for people of all ages (minimum 18 years old). The one thing everyone will have in common is a great sense of adventure and the desire to help their favourite charity. Most people will sign up as individuals meaning you will all be in the same situation!

How fit do I need to be?

This cycle ride has been designed to be challenging, but achievable by anyone as long as you fitness train before hand. Remember, you are cycling for 4 consecutive days, covering approximately 300 miles so expect to be in the saddle for about 7-8 hrs per day – the fitter you are the more you will enjoy this challenge. Cycling training tips can be found on the Global Adventure Challenge website to put you in the right direction.

Where will we stay?

We will stay in local hotels en-route, from 2*-3* – remember, this is a challenge! All accommodation has washing facilities available. Rooms are normally twin share, but there may be the use of some triple rooms too.

Do I need specialist kit?

We will supply you with a kit list of what to take once you register to take part. Each participant will need to bring their own bicycle for this challenge and items such as cycling shorts, cycling helmet and cycling gloves – other than this, you do not need any specialist kit.

Do I have to carry my own luggage?

No. All luggage will be transported from accommodation to accommodation by our vehicles. You will need a small day pack/bum bag/'camel bak' while cycling to carry items such as camera, sun-screen, energy snacks, etc.

Can I stay in Paris after the challenge?

Unfortunately, we are not able to arrange for you to stay in Paris after this challenge, as Eurostar will not allow us to change the dates of our group tickets. You can make your own arrangements to return at your convenience, but remember you will need to keep your bicycle with you too.

What sort of back-up is there?

There will be a strong support team with professional Global Adventure Challenges leaders from the UK. Full, comprehensive medical kits will be taken and we are never too far away from hospitals if needed. A support vehicle with medic and mechanic will follow the group providing support if needed.

What happens if I get tired?

There will be regular rest stops for drinks and snacks after approximately every 20 miles of cycling – there is no problem if you need to take more rest stops. A support vehicle will be bringing up the rear of the group on the cycle ride ensuring no-one is left alone – remember though, this is not a race!
