

Specialist Palliative Joint Supportive Clinics

St. Richard's
Hospice
CARING FOR LIFE

These specialist clinics are
for people affected by:

Parkinson's
Respiratory conditions
Heart Failure
Renal Failure

The aim of these specialist clinics is to provide supportive care for patients who have a life-limiting illness.

The specialist clinics offers access to:

Specialist Consultant

Consultant in Palliative Medicine

Nurse Specialists

Physiotherapist

Social Worker

Members of the spiritual care team

The team advises and supports patients, their families and carers on choices of treatment to control their symptoms, on psychological issues and on making plans about their future care.

We work closely with your GP, community nurses, social services and hospital consultants. The specialist clinics offer the opportunity for patients and their carers to meet others in a similar situation and share their experiences and ways of coping.

Parkinson's Clinic

The clinic runs monthly on the 1st Monday of each month.

Respiratory Clinic

The clinic runs monthly on the 2nd Monday of each month.

Heart Failure Clinic

The clinic runs monthly on the 3rd Monday of each month.

Renal Failure Clinic

The clinic runs monthly on the 4th Monday of each month.

All clinics start at 12 noon when patients and their carers are offered lunch. (Dietary needs can be accommodated).

Referral and attendance

Referral to the specialist clinics can be made by your specialist Consultant, GP or Nurse Specialists.

You will be advised which specialist clinic dates you should attend.

Please contact us if you require this leaflet in another language or alternative format.

If you would like any further information please contact the **Gateway Team on 01905 763963.**
