Wellend:

5K, scenic and undulating route - gates, stiles and a bit of up and down! Start location can easily be adjusted.

Hanley Swan:

A mix of road and trail, pretty flat. 5km/3.5 miles

Croome Court:

The standard walking route along the paths at Croome Court (The SRH Lantern walk route) equates to 1.5 miles, so we would suggest 2 laps if you wish to complete a 5K Reindeer route. You will need to book your spaces as there is now a booking system in place due to Covid 19 and Croome is a very popular Boxing Day walking destination. <https://www.nationaltrust.org.uk/croome>
